Dear Commissioner Mark:

In speaking with Dan Anthony about the work of our Commission, he has on numerous occasions informed me of your interest in the activities of the education and action program of the Commission on Group Relations. In your case, he mentioned that you have done several fine community jobs as a speaker and discussion leader.

In view of the important contribution you are making to the progress of the Survey of CHANGING NEIGHBORHOODS, I am requesting that you accept reappointment for an additional three year term beginning in March of 1958 and terminating in March, 1961.

May I personally congratulate you for your devotion to the cause of better human relations and ask that you let me know your reaction to this request at your early convenience.

Very sincerely yours,

*Leo P. Carlin*
